

Chit Chat (feat. Kiiara)

ALMA

[Verse 1: Alma]

You're wearing all the coolest brands

You've got diamonds in your hands

Don't care about the Gucci

I don't give a damn

I just wanna vibe with you

And I just wanna dance

But if you wanna leave, yeah

Can we hit the gas?[Pre-Chorus 1: Alma]

If you wanna try something new

We should take this until we see blue

And with me there ain't nothing to lose

We don't need to talk about it anymore (talk about it anymore)

[Chorus: Alma]

Cut the chit chat

Can we, can we cut the chit chat (ooh yeah)

Cut the chit chat

Can we, can we cut the chit chat (can we)

Cut the chit chat

Can we, can we cut the chit chat (ooh yeah)

Cut the chit chat

Can we, can we cut the chit chat[Verse 2: Alma & Kiiara]

Smoke another glass

We're moving really fast

Anything you wanna, baby, I'm all yours (I'm all yours)

The sun is coming up (it's coming up)

The party never stops for us, for us, for us (for us)

[Pre-Chorus 1: Alma & Kiiara]

If you wanna try something new

We should take this until we see blue

And with me there ain't nothing to lose

We don't need to talk about it anymore (talk about it anymore)[Chorus: Alma & Kiiara]

Cut the chit chat

Can we, can we cut the chit chat (ooh yeah)

Cut the chit chat

Can we, can we cut the chit chat (can we)

Cut the chit chat

Can we, can we cut the chit chat (ooh yeah)

Cut the chit chat

Can we, can we cut the chit chat[Post-Chorus: Alma]

Can we go?

'Cause I'm ready to roll

Let's get known for never taking it slow
Can we-
Cut the chit chat (can we not)
Can we, can we cut the chit chat (ooh yeah)
Cut the chit chat
Can we, can we cut the chit chat[Bridge: Alma]
I just wanna go 'til the morning
That's how I roll
I just wanna go 'til the morning, yeah
We don't need money, no we don't need fame
Fuck a party in the U.S.A
We don't money, no we don't need it, yeah[Pre-Chorus 2: Alma]
If you wanna try something new
We should take this until we see blue
And with me there ain't nothing to lose
We don't need to talk about it anymore
Don't talk, no more[Chorus: Alma & Kiiara]
Cut the chit chat (woo!)
Can we, can we cut the chit chat (ooh yeah)
Cut the chit chat
Can we, can we cut the chit chat (can we, can we, can we, can we, don't talk)
Cut the chit chat
Can we, can we cut the chit chat (ooh yeah)
Cut the chit chat (chit chat)
Can we, can we cut the chit chat[Post-Chorus: Alma]
Can we go?
'Cause I'm ready to roll
Let's get known for never taking it slow
Can we-
Cut the chit chat (can we)
Can we, can we cut the chit chat (ooh yeah)
Cut the chit chat
Can we, can we cut the chit chat
Baby
