Angels, answer me, Are you near if rain should fall? Am I to believe You will rise to calm the storm? For so great a treasure words will never do. Surely, if this is, Promises are mine to give you. Mine to give...Here, all too soon the day! Wish the moon to fall and alter tomorrow. I should know Heaven has her way Each one given memories to own. Angels, all could be Should you move both earth and sea Angeles, I could feel All those dark clouds disappearing... Even, as I breathe Comes an angel to their keep. Surely, if this is Promises are mine to give you. Mine to give...Angels Angels Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
