Alien

Atlanta Rhythm Section

The sun just went behind a cloud again Down crowded streets he walks alone He's a stranger out of place A number not a face And all day long, all day long(CHORUS) He's feelin like an alien Feelin like he don't belong Have mercy, cried the alien Help him find his way back home The feelin that he feels he can't explain Sunday, Monday, Tuesday, they're all the same He's lost and all alone A heart without a home Standin like a statue in the rain(CHORUS)Now, now and then we all are aliens Feelin like we don't belong Have mercy, cried the alien Help him find his way back home Feelin like an alien Hes feelin like he don't belong Have mercy, cried the alien Help him find his way Help him find his way Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
