

# The Tourist

## Radiohead

It barks at no one else but me  
Like it's seen a ghost  
I guess it's seen the sparks a-flowing  
No one else would know Hey man slow down, slow down  
Idiot, slow down, slow down Sometimes I get overcharged  
That's when you see sparks  
They ask me where the hell I'm going  
At a thousand feet per second  
Hey man slow down, slow down  
Idiot, slow down, slow down  
Hey man slow down, slow down  
Idiot, slow down, slow down
