

Tied Up (feat. Mr Eazi, RAYE & Jake Gosling)

Major Lazer

Mr Eazi, Major Lazer
I will fight for you (yeah, yeah)
Only if you need me to yeah
You know see I got you yeah, yeah, yeah
Tell me if you got me too
Tell me if you got me too
Ohh
Say me I don't know why but me never stop thinking about you
About you
Can we get this thing tied up?
Can we get this thing tied up?
You know this thing is inside us
Baby, can we get this thing tied up?
Can we get this thing tied up?
You know this thing is inside us
Baby, can we get this thing tied up?
Baby, can we get this thing tied up?
Can we get this thing tied up?
I would try for you, try to make it work for you
You know I be straight up too
Tell me if you want me, baby we can talk this through
Don't know why but I never stop thinking about you babe, about you
Can we get this thing tied up?
Can we get this thing tied up?
Know this thing is inside us
Ohh
Baby can we get this thing tied up?
Can we get this thing tied up?
Know this thing is inside us
Baby can we get this thing tied up?
Baby can we get this thing tied up?
Can we get this thing tied up?
Can we get this thing tied up?
Baby can we get this thing tied up?
Know this thing is inside us
