

Deena

BRONCHO

Deena walking like Mother Nature,
Deena walking like Jesus hates you,
He's too good to you.
Jesus walking like he's on water,
Jesus talking like he's on water
He's too good to you.
She took him for a walk
woke him up, She came in
like
Just enough hip to be a woman
She's too thin, tight
J.J. Just enough hip hip to be a woman
J.J. Just enough hip hip to be a woman
