

# Deena

## BRONCHO

Deena walking like Mother Nature,  
Deena walking like Jesus hates you,  
He's too good to you.  
Jesus walking like he's on water,  
Jesus talking like he's on water  
He's too good to you.  
She took him for a walk  
woke him up, She came in  
like  
Just enough hip to be a woman  
She's too thin, tight  
J.J. Just enough hip hip to be a woman  
J.J. Just enough hip hip to be a woman
