## Deena

## **BRONCHO**

Deena walking like Mother Nature, Deena walking like Jesus hates you, He's too good to you. Jesus walking like he's on water, Jesus talking like he's on water He's too good to you. She took him for a walk woke him up, She came in like Just enough hip to be a woman She's too thin, tight J.J.Just enough hip hip to be a woman
