

# Babies (feat. Alessia Cara)

KYLE

Yeah, I am pretty insecure  
Yeah, I know I'm immature (oh no, oh no, oh no)  
And you change your mood like clothes (mmm)  
First you, oh no caught up, on and off, come come, come come, go  
And I was learning ABC's, someone taught me how to love you  
I mess up, you get things wrong, we're supposed to  
We have no clue And maybe, we're still babies  
We don't have to know  
We don't have to know  
And maybe, we're still babies  
We got time to grow  
We got time to grow, hm hm  
And I wear my feelings on my sleeve (oh no, no no no)  
And I consume your energy (yeah yeah)  
But you speak a language I don't know, no no no (no no no)  
First you, yes no, guess so, for sure, stop go  
Just slow down (just slow down)  
And this ain't easy, one two three  
No one taught me how to love you (no one taught me)  
We're far from school, don't know the rules, we don't have to  
(We don't have to)  
We have no clue And maybe, we're still babies  
We don't have to know  
We don't have to know  
And maybe, we're still babies  
We don't have to know  
We don't have to know  
And maybe, we're still babies  
We got time to grow  
We got time to grow  
Woahhhh, babies  
Woahhhh, babies  
Woahhhh, babies  
Woahhhh, babies (Babies, babies)  
(Babies, babies)
