## **Be Apart**

## **Porches**

they try to feel it out i leave the house and now my body moves it is so physicalit's got me so awake the darkness hanging black water by my side i will go out tonightcause i wanna be apart i wanna be apart i wanna be a part of it alli wait for it to come i am so patient and when it really does i let it have me whole cause i wanna be apart i wanna be apart i wanna be a part of it all
