

# Stay Long Love You (feat. Gunna)

## Mariah Carey

[Verse 1: Mariah Carey & ?]  
Oh, whoa, whoa, whoa  
Would you mind, would you mind?  
I like the way you're movin'  
Come fill me with your music, yeah, yeah  
Do you mind if I try?  
I like the way you're movin'  
Control me, make me lose it, ayy, yeah  
Would you mind? Would you mind, baby?  
How you want it? How you want it?  
Tell me how you want it  
Hot as mama's cookin' in the kitchen during summer  
'Cause if you want it I could serve it, come and get it  
Won't you let me clean the plate and do the dishes?[Pre-Chorus: Mariah Carey]  
All that I want is to be all you need  
Baby, in fact  
Ooh, your good lovin' did something to me  
[Chorus: Mariah Carey]  
You make me, make me wanna  
Touch you right there  
You make me, make me wanna  
Kiss you over there  
You make me, make me wanna  
Uh, uh, yeah  
You make me, make me wanna  
Do that thing and do that thing, yeah  
You make me, make me wanna  
Touch you right there  
You make me, make me wanna  
Kiss you over there  
You make me, make me wanna  
Uh, uh, yeah  
You make me, make me wanna  
You make me, make me wanna  
Wanna stay long, love you
