Baby Jane

Rod Stewart

Baby Jane

don't leave me hanging on the line
I knew you when you had no one to talk to.
Now you're moving in high society
don't forget I know secrets about you.
I used to think you were on my side
but now I'm no longer sure.

I wish I knew what I know now before. When I give my heart again I know

it's gonna last forever.

No one tell me where or when I know it's gonna last forever.

Baby Jane

don't it make you feel sad

Just when I tought that we were winning.

You and I were so close in every way

Don't time fly when you're loving and laughing.

I've said good-by so many times the situation ain't all that new Optimism's my best defense I'll get through without you.

When I give my heart again I know it's gonna last forever.

No one tell me where or when I know it's gonna last forever.

I won't be that dumb again I know

it's gonna last forever.

When I fall in love again I know

it's gonna last forever.

Baby Jane

I've said all I want to say.

Go your own way

don't think twice about me

'Cause I've got ideas and plans of my own

So long

darlin'

I'll miss you

believe me.

The lesson learned was so hard to swallow But I know that I'll survive.

I'm gonna take a good look at myself and try - yeah.

When I give my heart again I know

it's gonna last forever.

No one tell me where or when I know

it's gonna last forever. When I fall in love next time I know it's gonna last forever. I won't be that dumb again I know. it I'll last forever. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
