

# girlfriend

Bea Miller

I don't wanna be your girlfriend  
I just wanna play with your hair  
When we get up in the morning  
I'll be better on my own, I swear  
Smoking in bed  
Sleeping like the weekend  
And you're in the kitchen  
Why the fuck is you cleaning?  
'Cause you're not my man  
Don't get too comfortable in my skin, ooh  
I told you before  
It's not what I'm into  
I'm trying to be clear  
I'm not sending mixed signals  
So why you still here?  
Don't you got somewhere to be? Ooh  
I'm not a party or plan  
I don't need your love  
I'm not a stranger to your touch  
But it's not enough  
Maybe honesty is missing here?  
But our bodies say it easier  
I don't wanna be your girlfriend  
I just wanna play with your hair  
When we get up in the morning  
I'll be better on my own, I swear, ooh  
I don't wanna be your girlfriend  
I just wanna play with your hair  
I prefer to tell the truth  
But I'm not brave enough to lose what's already there  
You text me all day  
Yeah, I get the message  
Nah uh, I can't hang  
Why you get so defensive?  
And nothing's gon' change  
Don't get your hopes up about me, no, no  
At the same time, when I get lonely  
Drop everything, when you see that I'm calling  
'Cause just for the night  
I'll be what you want me to be, yeah  
I'm not a party or plan  
I don't need your love (I don't need it)  
I'm not a stranger to your touch  
But it's not enough (it's not enough)  
Maybe honesty is missing here?

But our bodies say it easier I don't wanna be your girlfriend  
I just wanna play with your hair  
When we get up in the morning  
I'll be better on my own, I swear, ooh ooh  
I don't wanna be your girlfriend  
I just wanna play with your hair  
I prefer to tell the truth  
But I'm not brave enough to lose what's already there
