

# Money Changes Everything

Cyndi Lauper

I said, I'm sorry baby  
I'm leaving you tonight  
I found someone new  
He's waitin' in the car outside Ah honey, how could you do it  
We swore each other everlasting love  
I said, well yeah, I know, but when we did  
There was one thing we weren't thinking of and that's money Money changes everything  
Money, money changes everything  
We think we know what we're doing  
That don't mean a thing  
It's all in the past now  
Money changes everything  
They shake your hand  
And they smile and they buy you a drink  
They say we'll be your friends  
We'll stick with you till the end Ah, but everybody's only  
Looking out for themselves  
And you say, well who can you trust  
I'll tell you it's just nobody else's money Money changes everything  
I said money, money changes everything  
You think we know what you're doing  
We don't pull the strings  
It's all in the past now  
Money changes everything  
Yeah, yeah, yeah, money, money changes everything  
I said money, money changes everything  
We think we know what we're doing  
We don't know a thing  
It's all in the past now  
Money changes everything Hey, yeah, yeah, money is everything, yes  
Money changes everything, yeah  
Money is everything  
Money is everything, yes  
Money changes everything, yeah, yeah
