

Still I'm Sad

Rainbow

See the stars come falling down from the sky
Gently passing they kiss your tears that you cry
See the wind come softly blow your hair from your face
And the rain comes falling down in its crazy ways Still I'm sad
Still I'm sad For myself my tears just fall in the dust
Day will dry them and night will find they're lost
See the wind come softly blow time into my heart
And the rain comes falling down while we're apart
Still I'm sad
Still I'm sad See the stars come falling down from the sky
Gently passing they kiss your tears that you cry
See the wind come softly blow your hair from your face
And the rain comes falling down in its crazy ways I'm so sad
I'm so sad
But still I'm sad
Feeling so sad
Feeling so bad
You're making me sad
Making me bad
I'm sad
