

Don't Judge Me

Chris Brown

I dont wanna go there...
We should never go there...(Damn)
Why you wanna go there?
I guess I gotta go there...You hearing rumors about me
And you can't stomach the thought
Of someone touchin' my body
When your so close to my heart
I won't deny what their sayin'
Because most of it is true
But it was all before I fell for you
So please babe... (Please)
So please don't judge me
And I won't judge you
Cause it could get ugly
Before it gets beautiful
Please don't judge me
And I won't judge you
And if you love me
Then let it be beautiful...
Let it be beautiful, oh oh
Let it be beautiful...Let it be beautiful, oh ohh
Let it be beautiful...
Everything I say right now
Is gonna be used in another fight
And I been through this so many times
Can we change the subject?
You gonna start askin' me questions like
"Was she attractive?"
"Was she an actress?"
Baby the fact is.
You hearing rumors about me
And saw some pictures online
Sayin' they got you so angry
Making you wish you were blind
Before we start talkin' crazySayin some things we'll regret
Can we just slow it down
And press reset... (you're beautiful)
(So baby.)
So please don't judge me
And I won't judge you
Cause it could get ugly
Before it gets beautiful

Please don't judge me And I won't judge you
And if you love me
Then let it be beautiful...
Just let the past, just be the past
And focus on things that're gonna make us laugh
Take me as who I am Not who I was
I promise I'll be the one
That you can trust...
So please don't judge me
And I won't judge you
Cause it could get ugly
Before it gets beautiful
Please don't judge me
And I won't judge you
And if you love me
Then let it be beautiful...
Let it be beautiful, oh oh
Let it be beautiful.
Let it be beautiful, oh ohh
Let it be beautiful.
Yeaah yeah yeaah.
I dont wanna go there, baby
We should never go there.
