H.O.L.Y.

Florida Georgia Line

When the sun had left and the winter came
And the sky fall could only bring the rain
I sat in darkness, all broken hearted
I couldn't find a day I didn't feel alone
I never meant to cry, started losing hope

But somehow baby, you broke through and saved meYou're an angel, tell me you're never leaving

Cause you're the first thing I know I can believe in You're holy, holy, holy

I'm high on loving you, high on loving you

You're holy, holy, holy, holy

I'm high on loving you, high on loving you

You made the brightest days from the darkest nights

You're the river bank where I was baptized

Cleanse all the demons

That were killing my freedom

Let me lay you down, give me to ya

Get you singing babe, hallelujah

We'll be touching, we'll be touching heavenYou're an angel, tell me you're never leaving Cause you're the first thing I know I can believe inYou're holy, holy, holy

I'm high on loving you, high on loving you

You're holy, holy, holy, holy

I'm high on loving you, high on loving you

I don't need the stars cause you shine for me

Like fire in my veins, you're my ecstasy, you're my ecstasy

You're holy, holy, holy, holy

I'm high on loving you, high on loving you

You're holy, holy, holy, holy

I'm high on loving you, high on loving youYou're the healing hands where it used to hurt You're my saving grace, you're my kind of church

You're Holy
