Tell Me a Tale

Michael Kiwanuka

Tell me a tale that always was, Sing me a song that I'll always be in, Tell me a story that I can read, Tell me a story that I believe. Paint me a picture that I can see, Give me a touch that I can feel, Turn me around so I can be, Everything I was meant to be.Lord I need loving, Lord I need good, good loving. Lord I need loving, Lord I need good, good loving. Show me some strength that I can use, Give me a sound that I won't refuse, Tell me story that I can read, Tell me a story that I can believeTell me a tale that always was, Sing me a song that I'll always be in, Turn me around so I can be, Everything I was meant to be.Lord I need loving, Lord I need good, good loving.Lord I need loving, Lord I need good, good loving. Lord I need loving, Lord I need good, good loving.Lord I need loving, Lord I need good, good loving. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
