It Will Rain

Bruno Mars

If you ever leave me, baby, Leave some morphine at my door 'Cause it would take a whole lot of medication To realize what we used to have. We don't have it anymore. There's no religion that could save me No matter how long my knees are on the floor So keep in mind all the sacrifices I'm making To keep you by my side To keep you from walkin' out the door.'Cause there'll be no sunlight If I lose you, baby There'll be no clear skies If I lose you, baby Just like the clouds My eyes will do the same, if you walk away Everyday it'll rain, rain, ra-a-ain I'll never be your mother's favorite Your daddy can't even look me in the eye Ooh, if I was in their shoes, I'd be doing the same thing Sayin' "There goes my little girl Walkin' with that troublesome guy"But they're just afraid of something they can't understand Ooh, but little darlin' watch me change their minds Yeah for you I'll try, I'll try, I'll try, I'll try And pick up these broken pieces 'til I'm bleeding If that'll make you mine'Cause there'll be no sunlight If I lose you, baby There'll be no clear skies If I lose you, baby Just like the clouds My eyes will do the same, if you walk away Everyday it'll rain, rain, ra-a-ain Oh, don't you say (don't you say) goodbye (goodbye), Don't you say (don't you say) goodbye (goodbye) I'll pick up these broken pieces 'til I'm bleeding If that'll make it right'Cause there'll be no sunlight If I lose you, baby There'll be no clear skies If I lose you, baby And just like the clouds My eyes will do the same, if you walk away Everyday it'll rain, rain, ra-a-ain Song Discussions is protected by U.S. Patent 9401941.
