

# No Way

## Sonic Youth

sweet temptation came today  
time for angels to kneel and pray  
i saw you hangin with the devil  
evil nature frozen grave  
renounce yr lies sweet succubi-oh no  
i don't care i don't wanna hear it  
cuz i'm not talkin to you no more  
and i'm never gonna shadow yr door-  
no wayu know u hrt me once  
and you know ull never hurt me again  
cuz i'm sick of all yr games  
you can't trick my love w/sin  
sinners lie i will never die-i said no  
i don't care i don't wanna hear it  
cuz i'm not talking to you no more  
and i'm never gonna shadow yr door-  
no way

sweet temptation came today  
time for angels to kneel and pray  
yr black wings r bound in chains  
as i swoop into yr grave  
werewolf kommandos poison tongue-i said no  
i don't care i don't wanna hear it  
cuz i'm not talkin to you no more  
and i'm never gonna shadow yr door-  
no way
