

You've Got a Friend

Carole King & James Taylor

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night
You just call out my name
And you know wherever I am
I'll come running
To see you again
Winter, spring, summer, or fall
All you have to do is call
And I'll be there
You've got a friend
If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon, you'll hear me knocking at your door
You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah
To see you again
Winter, spring, summer, or fall
All you have to do is call
And I'll be there, yes I will
Now ain't it good to know that you've got a friend
When people can be so cold?
They'll hurt you, yes and desert you
And take your soul if you let them
Oh, but don't you let them
You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah
To see you again
Winter, spring, summer, or fall
All you have to do is call
And I'll be there, yes I will
You've got a friend
You've got a friend
Ain't it good to know you've got a friend

Ain't it good to know
Ain't it good to know
Ain't it good to know
You've got a friend
Oh yeah, now
Well you've got a friend, yeah baby
Well you've got a friend, oh yeah
You've got a friend
