You've Got a Friend

Carole King & James Taylor

When you're down and troubled And you need some love and care And nothing, nothing is going right Close your eyes and think of me And soon I will be there To brighten up even your darkest night You just call out my name And you know wherever I am I'll come running To see you again Winter, spring, summer, or fall All you have to do is call And I'll be there You've got a friend If the sky above you Grows dark and full of clouds And that old north wind begins to blow Keep your head together And call my name out loud Soon, you'll hear me knocking at your door You just call out my name And you know wherever I am I'll come running, running, yeah, yeah To see you again Winter, spring, summer, or fall All you have to do is call And I'll be there, yes I will Now ain't it good to know that you've got a friend When people can be so cold? They'll hurt you, yes and desert you And take your soul if you let them Oh, but don't you let them You just call out my name And you know wherever I am I'll come running, running, yeah, yeah To see you again Winter, spring, summer, or fall All you have to do is call And I'll be there, yes I will You've got a friend You've got a friend Ain't it good to know you've got a friend

Ain't it good to know
Ain't it good to know
Ain't it good to know
You've got a friend
Oh yeah, now
Well you've got a friend, yeah baby
Well you've got a friend, oh yeah
You've got a friend
