GO! (feat. Karen O)

Santigold

People want my power and they want my station

Stormed my winter palace but they couldn't take it

All the way to Paris, run my reputation

Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey Trying to pull a full-on, your guys won't go

Running, checking out your ass, oh no

Man, looking for your ticket, now let's all go

Party's in a minute but your guys won't goMan, you look on, you look on your bracelet

But I'm too gone, I'm too gone, that ass, oh no

When you get on, you get on, you shake it

Man, you took on, you took on too much, don't blow

People want my power and they want my station

Stormed my winter palace but they couldn't take it

All the way to Paris, run my reputation

Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey an I get a witness? A closer look

Everybody itching for a throne to throw

And you could be the widget to my turbo

Better see your status when I go soloDo you forget the, forget the basics?

On a go long, a go long, you must go search

And it's too far, it's too far the bases

But you're slipping, you're sliding, can make it go

People want my power and they want my station

Stormed my winter palace but they couldn't take it

All the way to Paris, run my reputation

Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey hey hard we found another instrument to crash you

Crash you, crash you

I need another instrument to crash you

Crash you, crash you, I need, crash youHa, ha, crash you

Ha, ha, crash you

Ha, ha, crash youPeople want my power and they want my station

Stormed my winter palace but they couldn't take it

All the way to Paris, run my reputation

Try to pull my status but they couldn't fake itHey, hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey

Hey, hey, hey, hey, hey, hey, hey Hey, hey, hey, hey, hey, hey, hey
