

# Good Love Is On the Way

John Mayer

I'm a lazy lover  
Undercover  
Wasting time  
Then one day this summer  
I changed my number  
To cut my line Good love is on the way  
I been lonely but I know, I'll be ok  
Good love is on the way 3 years broken hearted  
But now her ghost is finally gone  
I'm done with broken people  
This is me  
I'm working on (cause I know)  
Good love is on the way  
I've been lonely but I know, I'll be ok  
Good love is on the way Good to go for wherever I'm needed  
Bags are packed and I'm  
Down by the door  
You can take all the tricks up my sleeve  
I don't need them anymore Good to go for wherever I'm needed  
Bags are packed and I'm  
Down by the door  
You can take all the tricks up my sleeve  
I don't need them anymore  
Good love is on the way  
I've been lonely, lonely, lonely, yeah  
Good love is on the way  
I've been lonely but I know I'll be ok  
Good love is on the way  
Oh, Good love is on the way, hey
