

Come When I Call

John Mayer

Why won't you come baby?
Why won't you come when I call?
Why won't you come baby?
Why won't you come when I call?
I'm not up to something funny
I just wanna know you girl, is all You got to know baby
Everybody's free sometime
You got to know baby
Everybody's free sometime
Could you get to spare a moment?
I can't seem to get you off my mind
Friday night you're busy
Something else to do
Saturday you're sleeping
You got work on Sunday too Why won't you come baby?
Why won't you come when I call?
I'm not up to something funny
I just wanna know you girl, is all Keep the motor running
Leave your jacket on
If I had my way
You would be drivin' home at dawn Why won't you come baby?
Why won't you come when I call?
I'm not up to something funny
I just wanna know you girl, is all
Why won't you come baby?
Why won't you come when I call?
Why won't you come baby?
Why won't you come when I call?
I'm not up to something funny
I just wanna know you girl, is all
