

They Can't Take That Away from Me

Frank Sinatra

There are many many crazy things
That will keep me loving you
And with your permission
May I list a few The way you wear your hat
The way you sip your tea
The memory of all that
No, no, they can't take that away from me The way your smile just beams
The way you sing off key
The way you haunt my dreams
No, no, they can't take that away from me
We may never never meet again, on the bumpy road to love
But I'll always, always keep the memory of The way you hold your knife
The way we danced till three
The way you've changed my life
No they can't take that away from me
No they can't take that away from me We may never, never, never meet again, on the bumpy
road to love
Still I'll always, always keep that memory of
The way you hold your knife
The way we danced till three
The way you've changed my life
No, no, they can't take that away from me
No they can't take that away
They won't take that away
'Cause they can't take that away
From me
