They Can't Take That Away from Me

Frank Sinatra

There are many many crazy things That will keep me loving you And with your permission May I list a fewThe way you wear your hat The way you sip your tea The memory of all that No, no, they can't take that away from meThe way your smile just beams The way you sing off key The way you haunt my dreams No, no, they can't take that away from me We may never never meet again, on the bumpy road to love But I'll always, always keep the memory of The way you hold your knife The way we danced till three The way you've changed my life No they can't take that away from me No they can't take that away from meWe may never, never, never meet again, on the bumpy road to love Still I'll always, always keep that memory of The way you hold your knife The way we danced till three The way you've changed my life No, no, they can't take that away from me No they can't take that away They won't take that away 'Cause they can't take that away From me Song Discussions is protected by U.S. Patent 9401941.
