

More Than Words (feat. Kamille)

Little Mix

[Verse 1: Kamille, Perrie & Jesy]

When you think, when you think, when you think you're alo-o-one

I'll be-be-be like a ghost behind you

When you're down, when you're down

When you're down and you can't find the things to say

You know I'll give my words to you-you

When the sea, when the seasons change

And the sun shines on-on your face

Yeah, I-I-I'll be there with you, you, you, you

You're a part, you're a part for me now

Ju-ju-ju-just as mu-mu-much as I'm a part of you[Pre-Chorus: Kamille & Jade]

I find peace in every story you told

I think of you, I'll never be alone

It's true, true, true

You know I do, do, do

[Chorus: All]

Oh, I need you more than words can say

Oh, you save me in ways that I can't explain

Always been there for me, now I'll do the same

Oh, I need you more than words can say[Verse 2: Leigh-Anne, Perrie, (Jade) & Jesy]

Won't forget, won't forget

Won't forget when he bro-o-oke my heart

Ho-o-o-ow you helped me through

You turned, you turned, you turned a disaster into a dream

Gave me the power, made my life brand ne-e-w

(When the world try to break us, we found magic

And we grew stronger, though every line, line, l-line, line, line)

Every night, every night

I stand and sing the truth

Now-now they know that they gon' be alright, alright

[Pre-Chorus: Kamille & Jesy]

I find peace in every story you told

I think of you, I'll never be alone

It's true, true, true

You know I do, do, do[Chorus: All]

Oh, I need you more than words can say

Oh, you save me in ways that I can't explain (Oh-woah-oh)

Always been there for me, now I'll do the same

Oh, I need you more than words can say[Bridge: Leigh-Anne & Jade]

Oh-woah-oh, yeah

I find peace in every story you told

I think of you, I'll never be alone

Oh, it's true
You know I do, yeah[Chorus: All]
Oh, I need you more than words can say (More than words can say)
Oh, you save me in ways that I can't explain (Ways that I can't explain, baby)
Always been there for me, now I'll do the same (Always been there for me, now I'll do the
same)

Oh, I need you more than words can say[Outro: Jesy]
Oh, I need you more than words can say
