

Lie to Me (feat. Ina Wroldsen)

Steve Aoki

Lie, lie, lie
Lie, lie, lie, lie, lie You used to like me touching you
You used to feel the sparks
I used to make you love with madness
I used to have your heart
You used to keep your hand in the small of my back
I used to make you glow
We used to become one like magnets
And now you gonna go, oh And I don't wanna know, ah
Baby can we turn back the time?
Turn the clocks to when you were mine
If you don't wanna stay
If there's no other way
Then baby lie to me
Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie
Then baby lie to me
Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie
Lie, lie, lie I don't know what you want from me
But you can have it all
I promise I'll be all you're after
Just don't walk out the door
So look me in the eyes, let me show you my truth
I promise not to cry
No, don't get down to tie your laces
Don't say what's on your mind, oh no
'Cause I don't wanna know, oh
Baby can we turn back the time?
Turn the clock so when you were mine
If you don't wanna stay
If there's no other way
But baby lie to me Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie
Then baby lie to me
(Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie)

Baby lie to me
(Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie)
Then baby lie to me, oh no
(Lie, lie, lie, lie, lie)(Lie, lie, lie, lie, lie, lie)
Maybe we can just be your lie
(Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie)
I'll be good, I promise this time
(Lie, lie, lie, lie, lie
Lie, lie, lie, lie, lie, lie)
If you don't wanna stay
(Lie, lie, lie, lie, lie)
If there's no other way
(Lie, lie, lie)
Then baby lie to me
