

Hard to See

Five Finger Death Punch

I'm growing so distant
Nothing makes sense to me anymore
I'm learning to resist
Becoming more than you ever were Can't explain
What's come over me
Come over me
Can't explain
Why it's so hard for me
So hard to see your side Projecting all my anger
I can't seem to get this through to you
The walls are closing in
I dare you to walk in my shoes
Can't explain
What's come over me
Come over me
Can't explain
Why it's so hard for me
So hard to see your side Your side
I won't see your side Can't explain
What's come over me
Come over me
Can't explain
Why it's so hard for me
So hard to see your side
Can't explain
What's come over me
Come over me
Can't explain
Why it's so hard for me
So hard to see your side
I won't see your side
Your side
