Hard to See

Five Finger Death Punch

I'm growing so distant
Nothing makes sense to me anymore
I'm learning to resist
Becoming more than you ever wereCan't explain

What's come over me

Come over me

Can't explain

Why it's so hard for me

So hard to see your sideProjecting all my anger

I can't seem to get this through to you

The walls are closing in

I dare you to walk in my shoes

Can't explain

What's come over me

Come over me

Can't explain

Why it's so hard for me

So hard to see your sideYour side

I won't see your sideCan't explain

What's come over me

Come over me

Can't explain

Why it's so hard for me

So hard to see your side

Can't explain

What's come over me

Come over me

Can't explain

Why it's so hard for me

So hard to see your side

I won't see your side

Your side
