

Feels Like Home

[Diana Krall & Bryan Adams](#)

Somethin' in your eyes, makes me wanna lose myself
Makes me wanna lose myself, in your arms
There's somethin' in your voice, makes my heart beat fast
Hope this feeling lasts, the rest of my life
If you knew how lonely my life has been
And how long I've been so alone
And if you knew how I wanted someone to come along
And change my life the way you've done
It feels like home to me, it feels like home to me
It feels like I'm all the way back where I come from
It feels like home to me, it feels like home to me
It feels like I'm all the way back where I belong
A window breaks, down a long, dark street
And a siren wails in the night
But I'm alright, 'cause I have you here with me
And I can almost see, through the dark there is light
Well, if you knew how much this moment
means to me
And how long I've waited for your touch
It feels like home to me, it feels like home to me
It feels like I'm all the way the back where I come from
It feels like home to me, it feels like home to me
It feels like I'm all the way back where I belong
It feels like I'm all the way back where I belong
