Remember the Name

Swollen Members

(Swollen) The Crew's Thick (Swollen) The Pak is phat (Swollen) The Beatz are bad (Swollen) Look at that, see that ass (Swollen)Pump pump pump, pump it up But don't turn us down New shit (Swollen) New Sheriff's in town I'm about to show you somethin' brand new I ain't frontin' but there ain't nothin' I can't do Listen man, I'm tellin' ya you can too Man you got no idea what the heck it took to get me hereI'm talkin' big hockey bags dragged back and forth Bring it down south and get more from back up north So I can stack up more, no matter attack with force 26 inch rims, Cadillac of courseNow that I'm single this shit takes practice Everyday a new attractive actress on my mattress Stress relief I'm a basket case Gimme a six pack breast implants and a plastic faceAss bangin' with them stupid thighs I like my girls petite and super-sized I got love man that shits real I just got to take a few more laps around the field The Crew's Thick (Swollen) The Pak is phat (Swollen) The Beatz are bad (Swollen) Look at that, see that ass (Swollen)Pump pump pump, pump it up But don't turn us down New shit (Swollen) New Sheriff's in townYou about to know me in a big way It's Moka O, the name that all the kids say Hey, I hope you know the game is in for a change You love me 'cuz I'm always known to spit strangeThey get strange with it plus I get change

Enough to cop the H2 in the range Playa, I don't hate you or the game Y'all hate ya self because you play the sameI'm being fucked around, it's time to change the rules up Y'all can still move your ass we got the new stuff It's evidence on the track, you know the crew, what? Swollen were super extra like a new truckThe 26 inch spinners that don't rub Makin' all the jaws drop outside the clubs I know you wanna sing along do it up But you gotta spread the word tell 'em who you loveThe Crew's Thick (Swollen) The Pak is phat (Swollen) The Beatz are bad (Swollen) Look at that, see that ass (Swollen)Pump pump pump, pump it up But don't turn us down New shit (Swollen) New sheriff's in townThe crew is called Swollen Remember the name The heat that we holdin' The Members spit flamesYo', it's unfair to put us in the same class Before the ice melts I drain the whole glass Ahh, nothing but fumes are left I'm often half cocked talkin' under my breathGirls in the bathroom perfume on the chest So when they walk through the club, damn she fresh They shift off the wall like zero-gravity We hit you all we don't spare no casualties Glasses clink, asses shake Some chick wearing pink rocking boots made of snake Cop this disk and tell the disk jock To let this rock to the two on his wrist watchThere's a new Sheriff in town Don't make my pistol whistle like sweet Georgia Brown We got this song stuck in your ear With the sound so original there's nothing to clearThe Crew's Thick (Swollen) The Pak is phat (Swollen) The Beatz are bad (Swollen) Look at that, see that ass (Swollen)Pump pump pump, pump it up But don't turn us down New shit (Swollen) New Sheriff's in town
