

# One For the Road

## Arctic Monkeys

One for the road, oooh oooh  
One for the road, oooh oooh From the bottom of your heart  
The relegation zone  
I saw this coming from the start  
The shake, rattle and roll  
The cracks in blackout blinds cast patterns on the ceiling  
But you're feeling fine  
I thought it was dark outside  
I thought it was dark outside  
(One for the road)  
So we all get back to yours and you sit and talk to me on the floor  
There's no need to show me round baby  
I feel like I've been here before  
I've been wonderin' whether later when you tell everybody to go  
Will you pour me one for the road? I knew this would be on the cards  
I knew you wouldn't fold  
I saw this comin' from the start  
The shake, rattle and roll (One for the road)  
So we all get back to yours and you sit and talk to me on the floor  
There's no need to show me round baby  
I feel like I've been here before  
I've been wonderin' whether later when you tell everybody to go  
Will you pour me one for the road?  
The mixture hits you hard  
Don't get that sinking feeling  
Don't fall apart  
Some out of tune guitar  
Soundtrack to disaster  
Oooh oooh, one for the road  
Oooh oooh, one for the road  
Oooh oooh, one for the road  
Oooh oooh, one for the road  
Oooh oooh  
Oooh oooh  
Oooh oooh  
Oooh oooh (One for the road)  
So we all get back to yours and you sit and talk to me on the floor  
There's no need to show me 'round baby  
I feel like I've been here before  
I've been wonderin' whether later when you tell everybody to go  
Will you pour me one for the road?
