

Cars

Gary Numan

Cars
Here in my car
I feel safest of all
I can lock all my doors
It's the only way to live
In cars
Here in my car
I can only receive
I can listen to you
It keeps me stable for days
In cars
Here in my car
The image breaks down
Will you visit me please
If I open my door
In cars
Here in my car
I know I've started to think
About leaving tonight
Although nothing seems right
In cars
I know I've started to think
I know I've started to think
