

# Cashmere

Rita Ora

[Intro]

Yeah, yeah, yeah[Verse 1]

City lights, blurry face

Been missing the feeling, the mistakes

Took a walk, fast pace

Shoes off, only four blocks to your place[Pre Chorus]

Had to climb through the window 'cause you lost your key

Getting high with the lights low, had a few more drinks

And the next thing we know, your lips on me

Put it on so you can take it off of me

[Chorus]

Cashmere, left it lying by your bed

It's the colour red, how could I forget?

Cashmere (Cashmere), last night we made such a mess

I knew when I left I'd see you again

So what if I did it on purpose?

So what? Yeah, I did it on purpose

Cashmere (Cashmere), left it lying by your bed

I knew when I left I'd see you again[Post-Chorus]

Yeah, yeah, yeah[Verse 2]

Left a mark on my neck

But I don't mind and I don't try to hide it

You woke me up on your chest

And tonight let's do it all again

[Pre Chorus]

We'll climb through the window, you can lose your key

Getting high with the lights low, had a few more drinks

And the next thing we know, your lips on me

Put it on so you can take it off of me[Chorus]

Cashmere, left it lying by your bed

It's the colour red, how could I forget?

Cashmere (Cashmere), last night we made such a mess

I knew when I left I'd see you again

So what if I did it on purpose?

So what? Yeah, I did it on purpose

Cashmere (Cashmere), left it lying by your bed

I knew when I left I'd see you again[Post-Chorus]

Yeah, yeah, yeah

Yeah (Cashmere), yeah (Cashmere), yeah[Outro]

Cashmere, left it lying by your bed

It's the colour red, how could I forget?

Cashmere (Cashmere), last night we made such a mess

I knew when I left I'd see you again
