

# You Don't Care

Leona Lewis

All those tears from yesterday  
they didn't wash away the pain  
so long overdue  
those tears were for you  
don't say you love me again  
just because you see the end  
don't act like you can  
it's too late to pretend  
i never wanted to burn our bridges  
but i'm so tired  
so hard to walk away  
but i can't wish for yesterday  
Cos ohh-ohhh  
i don't wanna lose you  
i don't wanna lose you  
but it's so hard when you don't care anymore  
our love was amazing  
now its not worth saving  
something tells me you don't care  
you don't care anymoreMhmm  
someday soon you'll understand  
no one's there to hold your hand  
when loneliness is your only friend  
I'm not sayin there won't be  
another time for you and me  
i won't let love die  
won't let you hurt me again  
never wanted to burn our bridges  
and i'm so tired,  
I don't wanna walk away  
but i can't wish for yesterday  
ohh-ohhh  
i don't wanna lose you  
i don't wanna lose you  
but it's so hard when you don't care anymore  
our love was amazing  
now its not worth saving  
something tells me you don't care  
you don't care anymore  
someday when you're on your own  
when you've got no hand to hold  
you'll think of meOh, mmm

i don't wanna lose you  
don't wanna lose you  
something tells me you don't care  
you don't careohh-ohhh  
i don't wanna lose you  
i don't wanna lose you  
but it's so hard when you don't care anymore  
our love was amazing  
now its not worth saving  
something tells me you don't care (you don't care)  
you don't care anymore  
Oohh anymore  
you don't care anymore  
you don't care  
you don't care anymore
