

# Your Fear

## Prong

His Holy Misunderstood  
Misdirected, Misconstrued  
This Holy Roll Of The Dice  
Take Your Chances  
Hold On Tight  
Silence The Silent  
Confuse The Confused  
Confusion Runs Rampant  
On A Ship Of Fools  
The Clock Is Ticking  
This Sacred Joke  
Left Without A Reason  
Till Reason Takes Hold  
Surrender Your Fear  
Crawl Into The Flame  
His Holy Unconsciousness  
Endless Discussion  
Of Our Uselessness  
Alive And Kicking  
This Sacred Joke  
Left Without A Reason  
Till Reason Takes Hold  
Surrender Your Fear  
Crawl Into The Flame
