

Your Fear

Prong

His Holy Misunderstood
Misdirected, Misconstrued
This Holy Roll Of The Dice
Take Your Chances
Hold On Tight
Silence The Silent
Confuse The Confused
Confusion Runs Rampant
On A Ship Of Fools
The Clock Is Ticking
This Sacred Joke
Left Without A Reason
Till Reason Takes Hold
Surrender Your Fear
Crawl Into The Flame
His Holy Unconsciousness
Endless Discussion
Of Our Uselessness
Alive And Kicking
This Sacred Joke
Left Without A Reason
Till Reason Takes Hold
Surrender Your Fear
Crawl Into The Flame
