

Pity Party

Melanie Martinez

Did my invitations disappear?
Why'd I put my heart on every cursive letter?
Tell me why the hell no one is here
Tell me what to do to make it all feel better
Maybe it's a cruel joke on me
Whatever, whatever
Just means there's way more cake for me
Forever, forever It's my party and I'll cry if I want to
Cry if I want to (cry, cry, cry)
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
It's my party and I'll cry if I want to
Cry if I want to (cry, cry, cry)
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
Maybe if I knew all of them well
I wouldn't have been trapped inside this hell that holds me
Maybe if I casted out a spell
Or told them decorations were in pastel ribbons
Maybe it's a cruel joke on me
Whatever, whatever
Just means there's way more cake for me
Forever, forever It's my party and I'll cry if I want to
Cry if I want to (cry, cry, cry)
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
It's my party and I'll cry if I want to
Cry if I want to (cry, cry, cry)
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
I'm laughing, I'm crying
It feels like I'm dying
I'm laughing, I'm crying
It feels like I'm dying
I'm laughing, I'm crying
It feels like I'm dying
I'm dying, I'm dying It's my party and I'll cry if I want to
It's my party and I'll cry if I want to It's my party and I'll cry if I want to
Cry if I want to (cry, cry, cry)
I'll cry until the candles burn down this place
I'll cry until my pity party's in flames
It's my party and I'll cry if I want to

Cry if I want to (cry, cry, cry)
I'll cry until the candles burn down this place
I'll cry until my pity party's in flamesIt's my party, it's-it's my party
It's my party, it's-it's my party
It's my party and I'll cry if I want to
Cry if I want to (cry, cry, cry, cry, cry)
