

Fast Car (feat. Livingstone)

Jolyon Petch

You got a fast car
I want a ticket to anywhere
Maybe we can make a deal
Maybe together we can get somewhere
Any place is better
Starting from zero got nothing to lose
Maybe we'll make something
Me myself I got nothing to prove You got a fast car
And I got a plan to get us out of here
I've been working at the convenience store
Managed to save just a little bit of money
Won't have to drive too far
Just across the border and into the city
You and I can both get jobs
And finally see what it means to be living
You see my old man's got a problem
He lives with the bottle that's the way it is
He says his body's too old for working
His body's too young
To look like his
My mama went off and left him
She wanted more from life than he could give
I said somebody's got to take care of him
So I quit school and that's what I did You got a fast car
But is it fast enough so we can fly away?
We got to make a decision
Leave tonight or live and die this way
So I remember we were driving
Driving in your car
The speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped around my shoulder
I had, had a feeling that I belonged
I had, had a feeling I could be someone
Be someone, be someone
You got a fast car
We go cruising entertain ourselves
You still ain't got a job
And I work in the market as a checkout girl
I know things will get better
You'll find work and I'll get promoted
We'll move out of the shelter

Buy a big house and live in the suburbs
So I remember when we were driving
 Driving in your car
 The speed so fast I felt like I was drunk
 City lights lay out before us
And your arm felt nice wrapped around my shoulder
 I had, had a feeling that I belonged
 I had, had a feeling I could be someone
 Be someone, be someone
 You got a fast car
 I got a job that pays all our bills
 You stay out drinking late at the bar
See more of your friends than you do of your kids
 I'd always hoped for better
Thought maybe together you and me'd find it
 I got no plans I ain't going nowhere
So take your fast car and keep on driving
So I remember when we were driving
 Driving in your car
 The speed so fast I felt like I was drunk
 City lights lay out before us
And your arm felt nice wrapped around my shoulder
 I had, had a feeling that I belonged
 I had, had a feeling I could be someone
 Be someone, be someone
 You got a fast car
 But is it fast enough so you can fly away?
 You got to make a decision
 Leave tonight or live and die this way
