

# Do You Think About Me

Carrie Underwood

That first cold September night  
You were the blanket holding me tight  
You were kissing me and the years stood still  
You said we don't have to I said I will, yeah We ran in when the thunder came  
You told me sugar melts in the rain  
Don't want to watch our love go to waste  
So we ran inside for it was too late  
Oh I, Oh I'm not trying  
Oh I, Oh I, but I can't stop smiling, yeah Do you think about me  
Like I think about you  
Do you think about me  
Like I think about you  
I moved on to another town  
Wrote you letters till the ink ran out  
When the clouds rolled in  
I grabbed the keys  
And played that song that we used to sing  
I met a boy a lot like you  
It's funny how he used to sing it too  
But he always just a little out of key  
So much different than you and me  
Oh I, Oh I'm not even trying  
Oh I, Oh I but I can't stop smiling, yeah Do you think about me  
Like I think about you  
Do you think about me  
Like I think about you  
Oh, yeah  
Sometimes I wonder if you wonder  
What it could have been like  
When you're sitting there drinking coffee  
Are you thinking of me  
When it's thundering and raining outside  
Oh I, oh I'm not even trying  
Oh I, oh I but I can't stop smiling  
Oh I, oh I, it's mystifying  
Oh I, oh I but I can't stop smiling  
Do you think about me  
Like I think about you  
Do you think about me  
Like I think about you  
Do you think about me
