

Obsession

Sky Ferreira

Listen up, I'm gonna tell you a bit about myself
I got a situation, ain't concerning nobody else
Just you and what you can do for me
(Ooh)I had the life of ordinary, I spat it out
Now my condition's kind of scary, I need you now
Not love but I need something elseSo here's my confession
This time, this time
Don't just want you to love meI want to be your attention
This time, this time
Want my name on the marquee
I want you
(To want me)
I want you
(To need me)
I want you
To hear my confession
I want to be your obsession, ohI'll fake sick, shy until you never let me go
So I can be your addiction in the stereo
I could be just your type of high
(I can give what you like)Your talkin' 'bout the narcissist
It means in Hollywood, I'm lovin' myself
The word I need for you to feel good
(Let's go)
Let the music just take control
So here's my confession
This time, this time
Don't just want you to love meI want to be your attention
This time, this time
Want my name on the marqueeI want you
(To want me)
I want you
(To need me)
I want you
To hear my confessionI want to be your obsession
I want to be your obsessionAin't nothing wrong with O.C.D.
Long as it's for me, long as it's for me
Ain't nothing wrong with O.C.D.
Long as it's for me, long as it's for meSo here's my, so here's my confession
This time, this time
Don't just want you to love meI want to be your attention
This time, this time
Want my name on the marqueeI want you

(To want me)
I want you
(To need me)
I want you
To hear my confession I want to be your obsession
I want to be your obsession
I want to be your obsession, oh
