

# Lose to Win

## Fantasia

Mmmmmmm Hmmm  
Ever felt so ugly  
Pretending that he loves me  
Sometimes it's just not money  
Never had to afford me  
Now I'm sick and tired of  
You just taking right off  
Noooo when I forgive you You ain't here for dinner! Like I 'm a beginner  
I loved you for your inner, inner, inner!  
And the next guy is out there... somewhere  
But you won't dare, cause your too scared Have you ever needed someone so bad?  
But he ain't willing to make it last.  
Sometimes you gotta Lose to Win again  
If he makes you cry, cry, cry  
And All you do is fight  
Can't get no sleep at night  
Sometimes you gotta Lose to Win again Ever felt this sorry  
All you did was worry  
You didn't want nobody  
Thought it would get better  
But it's fallen mooore than  
oohh It's fallen more than  
Ever I just hope that, we would  
Cause you always up to no good  
Maybe it will take someone else  
To show me better  
But I don't wanna leave ya  
ohhhh yeeahh  
Have you ever needed someone so bad?  
But he ain't willing to make it last.  
Sometimes you gotta Lose to Win again If he makes you cry, cry, cry  
All you do is fight  
Can't get no sleep at night  
Sometimes you gotta Lose to Win again Some of you know what it feels like  
Caught up just in his Life  
Don't wanna try again  
Thinking, what's the difference  
Why am I not interested?  
Cause when you been broken, you feel like  
No one can fix it  
yeeeeeeahhhhhhhhh Have you ever  
Needed someone so bad? (Needs someone so bad)

But he ain't willing to make it last. (Ohhhh ohhhh)  
Sometimes you gotta Lose to Win again (Win Again)  
(He never makes U Cry)  
If he makes you cry, cry, cry  
All you do is fight  
Can't get no sleep at night  
Sometimes you gotta lose to win again  
Ohhhhhhh Ohhhh Ohhhh  
Sometimes you gotta lose  
You gotta lose to win again, ya  
Have you ever (Have you ever)  
Needed someone so bad?  
To make it last.

Sometimes you gotta Lose to Win again
