

Forget You

Sebastian Bach

Why is love pain?

Tell me why

Must love leave me again? I'm tryin' not to forget you but I don't know if I can

I'm not afraid to forget you 'cause you'll never let me in Lie straight to my face

Outta time

In the bed you've made I'm tryin' not to forget you but I don't know if I can

I'm not afraid to forget you 'cause you'll never let me in You choke the very heart from me

Sweet suicidal dream

And now I'm living inside myself

Where you cant get to me

I'm tryin' not to forget you but I don't know if I can

I'm not afraid to forget you 'cause you'll never let me in

You choke the very heart from me

Sweet suicidal dream

And now I'm living inside myself

Where you cant get to me
