

I Can't Go On Without You

KALEO

Well, they thought they were made for each other
Only thinking of one another
Never thinking just for one second
She would take a different attraction We don't want that
We don't want that
We don't want that, oh no
We don't want that
We don't want that
We don't want that, oh no I can't go on without you
I can't go on without you
I can't go on without you
I can't go on without you
So, what's the point of breaking my sweet heart?
You wanted me to let down my guard
Well, you know what they say, it's better that way
So you better hush and walk away We don't want that
We don't want that
We don't want that, oh no
We don't want that
We don't want that
We don't want that, oh no I can't go on without you
I can't go on without you
I can't go on without you
I can't go on, won't go on living on without you Well, was I supposed to wait for you
sweetheart?
And hide away the shame, yes I keep it all inside
Although the thought had crossed my mind
To do all the things, I'll regret and we don't want that
We don't want that
We don't want that
We don't want that, oh no
We don't want that
We don't want that
We don't want that, oh no I can't, I can't go on without you
I can't go on without you
I can't go on without you She loves me
She loves me not
She loves me
My love don't love me So what is left but a broken man
Cause nothing hurts like a woman can I can't go on without you
I can't go on without you
I can't go on without you

I can't go on without you Without you, love
