

Alone (feat. Brielle Von Hugel)

NERVO & Askery

Don't you walk away from me now
You hold my heart, you hold me down
And I try and try to fight it
But the darkness always hides it I don't wanna be alone tonight
(I don't wanna be no, oh, oh, oh I don't wanna be, tonight)
I don't wanna feel alone
(I don't wanna be ah, ah, ah, ah i don't wanna be)
'Cause baby, I ain't feeling strong tonight
(I ain't feeling strong no, oh, oh, oh I ain't feeling strong)
And I don't wanna be alone
Alone tonight
Alone tonight
Alone tonight
I won't walk away from you now
So hold me close, don't let me down
'Cause I tried and tried to fight it
But right now, I can't deny this
I don't wanna be alone tonight
(I don't wanna be no, oh, oh, oh I don't wanna be, tonight)
I don't wanna feel alone
(I don't wanna be ah, ah, ah, ah i don't wanna be)
'Cause baby, I ain't feeling strong tonight
(I ain't feeling strong no, oh, oh, oh I ain't feeling strong)
And I don't wanna be alone
Alone tonight
Alone tonight
Tonight, tonight I don't wanna be alone tonight
I don't wanna feel alone
