

Epiphany

Staind

Your words to me
Just a whisper
Your face is so unclear
I try to pay attention Your words just disappear
Huh, whoa
'Cause it's always
Raining in my head Huh, whoa
Forget all the things
I should have said
So I speak
To you in riddles
'Cause my words get in my way
I smoke the whole thing
To my head
And feel it wash away
'Cause I can't take anymore of this
I wanna come apart
And dig myself a little hole Inside your precious heart
Huh, huh
'Cause it's always
Raining in my head
Huh, huh
Forget all the things
I should have said
I am nothing more than
A little boy inside
That cries out for attention
Yet I always try to hide
'Cause I talk to you
Like children
Though I don't know
How I feel
But I know
I'll do the right thing
If the right thing
Is revealed
'Cause it's always
Raining in my head
Forget all the things
I should have said...
