## Staind

Your words to me  
Just a whisper  
Your face is so unclear  
I try to pay attention Your words just disappear  
Huh, whoa  
'Cause it's always  
Raining in my head Huh, whoa  
Forget all the things  
I should have said  
So I speak  
To you in riddles  
'Cause my words get in my way  
I smoke the whole thing  
To my head  
And feel it wash away  
'Cause I can't take anymore of this  
I wanna come apart  
And dig myself a little hole Inside your precious heart  
Huh, huh  
'Cause it's always  
Raining in my head  
Huh, huh  
Forget all the things  
I should have said  
I am nothing more than  
A little boy inside  
That cries out for attention  
Yet I always try to hide  
'Cause I talk to you  
Like children  
Though I don't know  
How I feel  
But I know  
I'll do the right thing  
If the right thing  
Is revealed  
'Cause it's always  
Raining in my head  
Forget all the things  
I should have said...
