Staind

Your words to me Just a whisper Your face is so unclear I try to pay attentionYour words just disappear Huh, whoa 'Cause it's always Raining in my headHuh, whoa Forget all the things I should have said So I speak To you in riddles 'Cause my words get in my way I smoke the whole thing To my head And feel it wash away 'Cause I can't take anymore of this I wanna come apart And dig myself a little holeInside your precious heart Huh, huh 'Cause it's always Raining in my head Huh, huh Forget all the things I should have said I am nothing more than A little boy inside That cries out for attention Yet I always try to hide 'Cause I talk to you Like children Though I don't know How I feel But I know I'll do the right thing If the right thing Is revealed 'Cause it's always Raining in my head Forget all the things I should have said...
